**Re: WC Docket No. 06-20 (via ECFS)  
IB Docket No. ITC-T/C-20060112-00015 (via Courier)  
In the Matter of Hypercube, LLC, Transferee, and KMC Data LLC  
Application For Grant of Authority Pursuant to Section 214 of the  
Communications Act of 1934 and Sections 63.04, 16.18 and 63.24 of the  
Commission's Rules to Complete a Transfer of Control of Authorized  
International and Domestic Interstate Carrier**

Dear Ms. Dortch:

Hypercube, LLC ("Hypercube") and KMC Data LLC ("KMC Data") (Hypercube and KMC Data together, "Applicants") hereby supplement their Application in order to update and clarify the ownership information provided in the Application.

- Hypercube's management recently was granted a 19% interest in Hypercube (15% was granted to Ronald R. Beaumont, a U.S. citizen and the Chief Executive Officer of Hypercube), thereby diluting the ownership interests of the three primary direct owners to 26.67% each. This grant of ownership was described in footnote 2 to the Application.
- A recent *pro forma* change in Hypercube's ownership involved the insertion of a holding company, Annex Holdings Corporation, between Hypercube and Annex Holdings I LP.
- At the request of International Bureau staff, Applicants hereby provide supplemental ownership information for Nassau Capital LLC and, in addition, Applicants clarify and supplement the ownership for Annex Holdings I LP.

For the Commission's convenience, and so that the supplemental information is available in the context of the company's overall ownership, Applicants attach hereto complete updated and clarified ownership information to replace that which was included in the application.

Applicants request that to the extent this letter and attachment is treated as an amendment to their Application, that it be treated as a minor amendment, which would not require re-noticing of their Combined Domestic and International Section 214 Application. We note that these updates would at most constitute *pro forma* changes if they occurred following completion of the transaction. In addition, this filing does not add any additional foreign owners to Hypercube's vertical chain of ownership.

An original and six (6) copies of this letter are enclosed for filing with the International Bureau. A copy of this letter is also being filed in the Wireline Competition docket ECFS. Please date stamp the extra copy and return it in the envelope provided. Should you have any questions regarding this filing, please do not hesitate to contact us at (202) 424-7500.

Respectfully submitted,
